

# SculptaCast™ Victory Wax

SCULPTACAST Victory wax is a versatile, virgin petroleum material ideally suited for modeling. It is naturally clean burning with very low ash residue.

SCULPTACAST Victory wax provides consistent results and the following application attributes:

- Consistency similar to soft clay for hand working, carving and model building
- Carves cleanly at room temperature
- Adheres to itself, allowing for build up while sculpting

This adaptable sculpture wax can be easily blended with other SCULPTACAST waxes to soften in-house blends.

SCULPTACAST Victory wax is sold in chunk form.

All SCULPTACAST waxes undergo stringent quality control testing in a state-of-the-art laboratory to ensure the highest level of quality.

## Typical Material Properties\*

Softening Point, Ring & Ball at 4°F/min.	168.5 ± 10°F
Needle Penetration (Hardness)	24.5 ± 5.0 dmm
Ash Content	0-0.015%
Color	Dark Brown
